

Notes

1. This detail shows 990-25 as the expansion joint membrane and the flashing sheet. modifiedPLUS® SBS modified bitumen membrane sheets are also used for the expansion joint membrane and flashing sheet.
2. The Foam Joint Seal provides additional protection for expansion joint details. Use Emseal 20H system, or equal, and follow manufacturers instructions for application specifics.
3. Adhesive shall be Poly-Tac™ 930-18 polymer modified adhesive or 910-01 an asphalt penetrating adhesive.
