Facility Information

- Name: Henry Company Canada Inc Scarborough
- Phone: 416-724-2000
- Fax: N/A
- Website: N/A
- Address: 15 Wallsend Drive, Toronto, ON, M1E 3X6
- Number of Employees: 50

Owner / Corporate Officer Contact Information

- Name: Todd Thertell
- Job Title: Plant Manager
- Phone: 647-560-7259 Ex: N/A
- Fax: N/A
- Email: tthertell@henry.com
- Comments: N/A

Reporting Period Information

- Updating a report for 2020.

Chemical Use and Release Information

Particulate Matter 2.5 (PM2.5)

1. Chemicals (Table 2) (1/1/20)

Chemical Used	
<p>Manufactured</p> <p>1,260 kilograms</p> <p>Estimation Method</p> <p>Published emission factor</p>	<p>Processed</p> <p>0 kilograms</p> <p>Estimation Method</p> <p>None</p>
<p>Otherwise Used</p> <p>0 kilograms</p> <p>Estimation Method</p> <p>None</p>	<p>Data Inconsistency Reasons</p> <p>None</p>
Chemical Released	
<p>Released to Air</p> <p>1,260 kilograms</p> <p>Estimation Method</p> <p>Published emission factor</p>	<p>Released to Land</p> <p>0 kilograms</p> <p>Estimation Method</p> <p>None</p>
<p>Released to Surface Water</p> <p>0 kilograms</p> <p>Estimation Method</p> <p>None</p>	<p>Chemical reported to NPRI</p> <p>Yes</p>

Nitrogen Oxides (NOx)

Chemical Used

Manufactured

451 kilograms
 Estimation Method
 Published emission factor

Processed

0 kilograms
 Estimation Method
 None

Otherwise Used

0 kilograms
 Estimation Method
 None

Data Inconsistency Reasons

None

Chemical Released

Released to Air

451 kilograms
 Estimation Method
 Published emission factor

Released to Land

0 kilograms
 Estimation Method
 None

Released to Surface Water

0 kilograms
 Estimation Method
 None

Chemical reported to NPRI

No or not sure

Manganese and its compounds

Chemical Used

Manufactured

0 kilograms
 Estimation Method
 None

Processed

0 kilograms
 Estimation Method
 None

Otherwise Used

41 kilograms
 Estimation Method
 Mass balance

Data Inconsistency Reasons

- Other (specify)
 Increased purchase of manganese

Chemical Released

Released to Air

0 kilograms
 Estimation Method
 None

Released to Land

0 kilograms
 Estimation Method
 None

Released to Surface Water

0 kilograms
 Estimation Method
 None

Chemical reported to NPRI

No or not sure

Lead and its compounds

Chemical Used

Manufactured

0 kilograms
 Estimation Method
 None

Processed

0 kilograms
 Estimation Method
 None

Otherwise Used

189 kilograms
 Estimation Method
 Mass balance

Data Inconsistency Reasons

- Other (specify)
 Increased purchase of Lead

Chemical Released

Released to Air

0 kilograms
 Estimation Method
 None

Released to Land

0 kilograms
 Estimation Method
 None

Released to Surface Water

0 kilograms
 Estimation Method
 None

Chemical reported to NPRI

Yes

Cadmium and its compounds

Chemical Used

Manufactured

0 kilograms
 Estimation Method
 None

Processed

0 kilograms
 Estimation Method
 None

Otherwise Used

21 kilograms
 Estimation Method
 Mass balance

Data Inconsistency Reasons

None

Chemical Released

Released to Air

0 kilograms
 Estimation Method
 None

Released to Land

0 kilograms
 Estimation Method
 None

Released to Surface Water

0 kilograms
 Estimation Method
 None

Chemical reported to NPRI

Yes

Volatile Organic Compounds (VOCs) Total

Chemical Used

Manufactured

21 kilograms
 Estimation Method
 Published emission factor

Processed

368,611 kilograms
 Estimation Method
 Mass balance

Otherwise Used

0 kilograms
 Estimation Method
 None

Data Inconsistency Reasons

- Other (specify)
 Increased solvent manufacturing

Chemical Released

Released to Air

502 kilograms
 Estimation Method
 Engineering estimates

Released to Land

0 kilograms
 Estimation Method
 None

Released to Surface Water

0 kilograms
 Estimation Method
 None

Chemical reported to NPRI

No or not sure

Environmental initiatives that Henry Company Canada Inc Scarborough has taken during the reporting year of 2020:

- ✓ Other (specify): There were no environmental initiatives taken in the 2020RY.

For the 2020 reporting year Henry Company Canada Inc Scarborough, has done the following:

- I have done Environmental education/training courses - No
- Created a Pollution Prevention Plan - No
- Adopted an Environmental Management System or equivalent - No
- Henry Company Canada Inc Scarborough reports to the Toronto Sewer Use Bylaw - No
- Other activities - None

Record Keeping

- Henry Company Canada Inc Scarborough is required to keep the information (including calculations, Safety Data Sheets (SDS), natural gas bills, etc.) that the report was based on for a minimum of 5 years from the day the report was submitted.
- If requested Henry Company Canada Inc Scarborough must provide this information to the Medical Officer of Health for audit purposes.
